Bug Fixes

File Viewer

There was a problem that the up-loaded file became a waiting state without converting, and the loading screen kept being displayed. This problem was fixed.

File Search

It occasionally became like the retrieval result's not being displayed when it took time for the retrieval usually. This problem was fixed.

Edit Profile

There was a problem of becoming an error when the setting was made non-display by the menu display when the profile was edited and saved. This problem was fixed.
