Release Notes

Ver. 6.2.4

Oct. 29th 2016

Cloud Shared Office ECM for Salesforce

Improvement

Archive Space

Users with a profile "Reference" authority (formerly known as "Standard" authority) was possible see the entire contents of the just below the archive space, but has changed the specifications to be referred to only the content was possible reference before archived.

In addition, the "Restore/Clear" authority was added between the "Administrator" and the "Reference" authority. The user with the "Restore/Clear" authority has same authority of "Reference" and can perform restoration and complete deletion of the content and the space.
