Cloud Shared Office Sync

Bug Fixes

Version Up

The problem that an executable file is not updated could rarely occur despite the successful upgrade. It is already solved such that the executable file will surely be updated upon version up.

Sync Space Update

It is now supported that when you perform a sync pause and resume on the client side, the settings of sync space of each client will be updated on the server side. with this, it is possible to cancel if a problem in the settings of sync space of the client and server occurs.
